

# The Janet Clemmons/SELF Community Service Award

Janet Clemmons founded Supports to Encourage Low-income Families in 1995. As a Butler County Commissioner, she understood the challenges faced by disadvantaged families and those who serve them. Mrs. Clemmons' vision was for Butler County to have its own community action agency that would serve the entire county and achieve positive results while remaining financially solid.

SELF proudly carries on Mrs. Clemmons' legacy everyday with the help of many partners. The Janet Clemmons/SELF Community Service Award is presented annually to an individual who, primarily through volunteer efforts, provides significant support and service to the low-income people of Butler County.

The Janet Clemmons Award for 2012 will be presented at SELF's annual awards dinner March 24, 2012. Nominations are due by February 3, 2012.
